

MARK SAMIA

@ marksamia1210@gmail.com 📍 Philippines

SUMMARY

I am a strong fit for the Medical Virtual Assistant role due to my specialized training in patient appointment scheduling, new patient intake using EHR, creating lab and imaging orders, referrals, insurance verification, and basic prior authorization. Combined with my experience at AHM Outsourcing and UnitedHealth Group, where I handled medical records, insurance eligibility, and provided customer service, I am confident in my ability to deliver accurate and efficient support in a medical virtual assistant capacity.

STRENGTHS

🔍 Detail-oriented

Provide clear, correct information to healthcare providers and patients, improving communication and service.

💎 Knowledge of Healthcare Systems

Your training and hands-on experience in EHR systems, insurance verification, and prior authorizations make you well-versed in healthcare administration. You also have working knowledge of **eClinicalWorks and Practice Fusion**, including **referral creation and management**, ensuring accurate documentation and efficient workflows.
